■ **BOOMING:** The new factory at Millwey Rise, being developed by Axminster Tools & Machinery, that will boost the local economy and bring new jobs to Axminster.

We are investing in the future of Axminster

On the outskirts of Axminster at Millwey Rise Industrial Estate, work is in progress which will encourage growth in the form of new businesses and job creation to the area.

As part of the damage limitation process, Axminster Carpets had to sell various properties and land and, as a result, Axminster Tools & Machinery (AT&M) has pur-

chased two plots of land and a factory on the Millwey Rise Industrial Estate.

This land is now being developed by one of AT&M's pension funds and three quarters of it has been negotiated with prospective tenants.

The development is made up of three parts. First is a new building for ITT Industries who are already located on the estate. In July 2012 the American ITT Corporation divided itself into three

independent companies, one being ITT Industries and another being Xylem, both of which currently occupy the same premises on Weycroft Avenue.

£2 million contract

The move will enable ITT Industries to function as a completely separate operating company in a new building offering 21,500 square feet of manufacturing and 6,500 square feet of office space.

The company produces

pumps for the petro-chemical industry and provides a servicing facility for these pumps from all over the world. This new development project, worth almost £2m, is being managed and delivered by Devon Contractors Limited on behalf of an AT&M pension fund.

The second part of the development consists of five units, two offering 650 sq ft and three offering 600 sq ft; some of the units can be combined. These are aimed at

smaller, start-up businesses and have so far generated a considerable amount of local interest.

This part of the development, at the top of Weycroft Avenue, has been named Seymour's Yard in recognition of John Seymour (1738-1818), the Dorset joiner who carried out extensive work on Axminster Parish Church. In search of further opportunities, John and his family left England to settle in America where he

went on to make fine furniture. Although John's life sadly ended in poverty, examples of his work can still be seen today in the US White House and sell at auction for six-figure sums.

Before moving to the States, John Seymour had workshops in Axminster and was a contemporary of Thomas Whitty.

Axminster Tools & Machinery also has planning permission for the development of a three-floor office block at Seymour's Yard

The third phase of the development is the land and building next to the new Axminster Dental Practice. Plans are being drawn up to demolish the existing building as it would be more costly to renovate and adapt it.

Exciting example

The new build, offering 2,600 sq ft, will mirror the design of the dental practice. The Axminster Dental Practice is an excellent example of how successful the development of parts of Weycroft Avenue have been to date.

So far planning permission has been granted for the ITT Industries building and the units and office block in Seymour's Yard.

"Much credit must go to Andrew Moulding, John Jeffery and Axminster Town Council for aiding the smooth passage of the plans through the planning process and supporting us in these endeavours" commented

Andrew Thomas, a director of AT&M.

Another local company, Clipper Contracting Limited, is also negotiating with Axminster Tools & Machinery over the construction of a two-storey 5,000 sq ft office block, which would be situated between Nu-Type and Xylem on Weycroft Avenue. Clipper Contracting is a service company which processes payroll for the construction industry. Currently they have agreed terms of a tenancy and the design of a building.

Following the problems facing

“The setting up of new businesses on the edge of the town will have a knock-on effect in the town centre and demonstrates that Axminster is a thriving, commercially attractive town still capable of bringing in new blood”

Axminster Carpets earlier in the year, the news of this development will be welcomed widely by the town and surrounding area.

The setting up of new businesses on the edge of the town will have a knock-on effect in the town centre

Axminster Tools & Machinery also owns and manages 18 residential properties in Axminster and Seaton.

Gas main fire causes flats to be evacuated MAN ARRESTED FOLLOWING INCIDENT

A 47-year-old former Seaton resident was arrested in connection with a gas main fire, which forced the evacuation of five Cross Street flats.

The man, who currently lives in Falmouth, was arrested on suspicion of criminal damage and was being interviewed by police at the time of going to press.

Firefighters were called at 5:45pm on Sunday, December 8th.

A spokesperson for the fire and rescue service said: "We were called to a report of what was believed to be a washing machine alight in an alley at the above location.

"A fire engine from Seaton was sent to investigate but upon arrival the crew confirmed that this was a fire involving a gas main on the outside of a building and requested a further three fire engines to attend."

These were sent from stations in Colyton, Axminster and Sidmouth.

The spokesperson added: "The gas board was requested to attend to isolate the gas supplies along with specialist officers trained to deal with hazardous situations.

"Crews evacuated adjoining flats due to smoke logging and got to work extinguishing the fire.

"The fire was successfully extinguished using six sets of breathing apparatus, two hose reel jets and a thermal imaging camera. The cause of the fire is still under investigation."

In a statement issued on Monday morning, police revealed that an arrest had been made.

A spokesperson for Devon and Cornwall Police said: "A 47-year-old man, formerly of Seaton, now Falmouth, was arrested. He was arrested on suspicion of criminal damage.

"A joint fire and police investigation of the scene began around 9:30am this morning.

"A road closure in place on Cross Street and a cordon on preventing access to property.

"Five adjacent flats were evacuated and Red Cross provided assistance.

"The road needed to be dug up to disconnect the gas."

Final protest against the green wedge development plans

RESIDENTS of Seaton and Colyford will today begin their final protest against plans to develop the green wedge between the two communities, as a four-day planning appeal opens.

Seaton Park (Devon) Ltd, applicants of the development of 170 houses, two football pitches, pavilion, multi-use games area and new spine road on land east of Harepath Road, are today appealing against East Devon District Council's decision to refuse the plans earlier this year.

The four-day hearing opened this morning (Tuesday) at Colyford Memorial Hall, and cases will be put forward by the applicant, district council and the Seaton and Colyford Green Wedge Community Action Group - a group of local residents who have employed a planning consultant to represent their objections during the appeal.

Residents have already strongly opposed the original application and a second similar application.

See next week's Pulman's View for the appeal outcome

Christmas switch-on

SEATON switched on its Christmas lights in style last Friday evening, with the majorettes kicking off proceedings with a display outside the town hall before leading a candlelight procession down Fore Street into the Square. Mayor of Seaton, Gaynor Sedgwick, presented the majorettes with a cup awarded by the East Devon Carnival Committee for the 'spectators choice' after a secret poll at various carnivals around the East Devon circuit. The Seaton Majorettes are pictured above together with Mayor Gaynor Sedgwick and Seaton town crier David Craner

Quotes of the week...

“ IT has been an exciting year for ourselves, and with everything in place and with the proposed development of the various sites on the Millwey estate now underway, we are looking forward to 2014 with much anticipation.”

Ian Styles, Managing Director, of Axminster Power Tools and Machinery, commenting on the strides being taken by his company as they release details of a major industrial development at Millwey Rise.

“ It was remarkable. We had even more people turn out than we had expected. We literally filled the square. All the windows were done up with some fantastic displays and the lights looked absolutely stunning.”

Emily Davis, of Silver Street Tattoos, who helped to organise the Ottery St Mary Festive Fun Day, which took place on Saturday and combined the late night shopping event with the switching on of the Christmas lights.

“ The response has been overwhelming. The warmth towards this project has been far beyond what we were expecting. The support from the town has been absolutely fantastic and will continue to be vital as the project moves forward.”

Appeal Fundraiser Sarah Smith talking about the public's response to fundraising appeal for the new East Devon Day Hospice building in Honiton. The project has already received a £510,000 grant from NHS England, but the charity is hoping to raise a further £250,000 to support the centre.

“ Opportunistic thefts and minor criminal damage continue to be an issue and we therefore ask the community to be vigilant in reporting suspicious behaviour and ensure property is not left on display or unattended”

PC Stephen Speariett speaking on crime throughout the whole Seaton Rural policing area,

Ottery bowlers raise money for charity

THE recent club night at Ottery St Mary Short Mat Bowls Club was well attended with Charity cheque presentations made to Devon Air Ambulance and Devon Freewheelers

Over the past two months the club ran three charity competitions raising £500 for Devon Air Ambulance and £900 for the Devon Freewheelers. These competitions were between teams from across Devon, Dorset and Somerset.

Running up that hill

ON Sunday five members travelled to Ham Hill Country Park at Stoke-sub-Hamden to take part in Crewkerne Running Club's The Full Monty-cute.

This is a particularly tough 10½ mile off-road race which boasts no less than 10 hills.

Roland Hall was running The Monty for the first time and once again he led the Honiton runners back coming 7th overall in 1 hour 20 minutes and 47 seconds. Steve Davey was next back in 39th place in 1:30:40.

Who chopped down Christmas trees?

AXMINSTER Town Council has lost two of its three Christmas trees in an apparent chainsaw massacre. The town council had planned to place the trees inside and outside The Guildhall, but a mystery Christmas scrooge felled the trees, chopped them up and left them in a neat pile for flabbergasted council officials.

The trees were growing on the town council's allotment site in Woodbury Park.

Tenants wanted them removed, and the timing was perfect as it meant the council would have free Christmas trees.

The plan seemed to work and one tree was felled and relocated to the edge of South Street car park.

But the town council delegation that came back for the remaining trees last week had a nasty surprise.

Someone had felled the trees and chopped them up for no apparent reason.

It is claimed that some allotment tenants observed two men chopping up the trees on Sunday December 1st.

It is also claimed the allotment holders were told to "mind their own business" when asking the men what they were up to.

Police are investigating and are aware of the witness observations.

HONITON

Cash boosts for community groups

HONITON community groups could benefit from an extra £1,800 of council cash – money that has become available because some town councillors did not claim their annual allowance.

The increase could be announced if the council decides to transfer funds left over from members not claiming their expenses to the grants fund.

Members are entitled to claim an annual allowance of £305 per year to cover basic costs incurred from council work.

But some members do not claim the allowance and now that money, a total of £1,820, could be freed up to help fund projects in the town. The issue was due to be resolved at the town council meeting on Monday, December 9th.

Last year a total of £14,035 was granted to organisations in Honiton, £9,000 of which was paid to the Tourist Information Centre to assist with wages. A further £1,000 was granted to Honiton's Citizens Advice office.

Other projects that received funding support included Honiton Town Football Club, Honiton Antiques Festival and Honiton Community Church, which received financial support to provide pastoral care for the homeless.

Funding was also set aside to cover maintenance costs for the Millennium Green, to assist TRIP, the community transport association, and to pay for health and safety provisions at July's Hot Pennies ceremony.

But this new funding increase could enable more grant applications to be permitted.

The decision regarding the allocation of grants is usually taken at the town council meeting in April, but has been moved back to May this year.

Applications for grants will now be taken between mid-February and the end of March, and will be reviewed by the finance committee in April.

Funds will not be available until mid-May, around six weeks later than in previous years.

From the editor's chair A boost for industry

THIS week we major heavily on the exciting development on the Millway Rise industrial estate which will see major factory facilities come on stream over the next few months.

We do so by promoting the industrial expansion by publishing what we call in the trade "a wrap" – a four-page supplement which is wrapped around the main body of the paper. In effect it gives us two front pages.

Although this is very much an Axminster story, this is good news for the whole of East Devon as the development will lead to the creation of more jobs in the months and years to come.

The development is being pioneered by Axminster Tools and Machinery – that's the new brand for Axminster Power Tools – a company that from small beginning 40 years ago has now developed an international reputation, not only for their products but for their working conditions and creative career development programmes.

Following the collapse of Axminster Carpets, AT&M were able to acquire, through their pension funds, parcels of land which has enabled them to considerably extend the footprint of the Millway Rise Industrial estate and in doing so to create

more job opportunities in the area.

Another well respected Axminster employee, ITT Goulds Pumps, who have operated from the estate for more than 20 years, will be moving into 21,500 square feet of modern factory and office space in the newly-named Seymour's Yard. Other local companies are taking up spare capacity on the estate, including Creative Solutions from Lyme Regis and Clipper Contracting, currently based in Charmouth.

AT&M's managing director Ian Styles is also keen to support the business community in the town centre and has generously donated two pages in this week's edition to help promote the many new initiatives that are being developed by Axminster Chamber of Commerce and Industry.

This is all good news and demonstrates great confidence in Axminster, and indeed East Devon, as a good place to do business.

I have this feeling that 2014 is going to be a much better year for all of us!

OTTERY St MARY

Councillor walks out over housing row

OTTERY ST MARY town councillor Roger Giles walked out of a meeting after a row over potential housing development in West Hill, amid claims that he had breached council confidentiality rules.

Councillor Roger Giles left a meeting of the town council, after claiming he had been "put on trial" by other members of the council.

Councillor Paul Lewis had called for a vote on whether Councillor Giles had breached confidentiality rules by making public the proposal that councillors should have a private meeting with Persimmon Homes, who are interested in an area of land adjacent to Higher Broad Oak Road in West Hill. No formal planning application has yet been made.

Councillor Giles agreed he had informed Ottery's East Devon District Councillor and Devon County Councillor Claire Wright of the proposal to meet privately with Persimmon, which was later published on Councillor Wright's website.

The council decided, by seven votes to five, that Councillor Giles had broken the rules on confidentiality, but a second vote to determine whether he should be suspended from the Planning Committee until May was defeated. Both Councillor Giles and Councillor Wright left the meeting after the second vote took place.

Councillor Giles said: "There is no way in the world that the council meeting a developer could be considered confidential information. It is completely ridiculous."

COLYTON

New business group

COLYTON accountant Chris Way is the driving force behind a new group is being set up to help promote and encourage businesses in the town.

Chris Way of the Colyton-based CRW Accountants said the formation of a business group in the town is a project he has been considering for some time.

He has now been joined in the venture by Phil Johnson, managing director of local training company PNS Ltd., and Jacqui McCullough, who purchased premises in Market Place with space for a tearoom and for Colyton History Society to form a new heritage centre. The first meeting of Colyton Business group will be held at the Colcombe Castle on Thursday, January 9th 2014 at 6pm, all are welcome.

Mr Way said: "The aim is to form a cohesive and active organisation to promote businesses in the locality and provide support and encouragement for businesses."

Rent hike threatens café

A SEATON café owner has said his business is under threat after his landlord, East Devon District Council, increased the rent on the property by 25 per cent.

Jeff Packman, the proprietor of Chine café, was asked to pay an extra £900 a year, which he says could threaten the future of the business.

Mr Packman said EDDC had told him that the rent increase was reasonable. He added: "They say they have done their market research but it is one hell of a kick up in rent."

"We had no forewarning that the rent was going to go up by so much. The café has 24 years of history which is now under threat."

Mr Packman, who jointly owns the business with his wife, wrote to EDDC and offered to pay an additional £400 a year, an increase of 11 per cent. The council then revised their rent demand to £800.

Mr Packman, who was formerly chairman of Seaton Traders Association, said that high rents were damaging Seaton as a whole, and other local traders were

also suffering.

He said: "It is not an isolated case. There are others who feel the same way but who feel they cannot challenge the council."

"There is always the feeling that they are going to get you back. There is something not quite right with the way they are conducting themselves."

Another Seaton business owner, who asked not to be named, said the rent on his property had gone up by 60 per cent, but that fighting the increase would cost him more money in the long term.

As negotiations with Mr Packman are ongoing, EDDC declined to comment on the individual case.

A spokesperson said: "When one of the council's commercial leases expires and the tenant wishes to renew it, the market rent of the premises is assessed and terms are negotiated for a new agreement."

"The council's assessment of the market rent is undertaken by a chartered surveyor and is in line with comparable evidence."

Bloom organisers ask for another chance

REPRESENTATIVES of Britain in Bloom are to visit Beer in the new year to try and persuade the village to re-think its decision to quit the competition.

With the Britain in Bloom competition celebrating its 50th anniversary in 2014, the organisers are anxious that Beer enter again even though Ursula Makepeace – who has co-ordinated the entry for the past 20 years – and her band of volunteer helpers were "disenchanted and angry" by the awards given to the village this year.

"They are obviously taking our complaints very seriously as I have had a long email from Richard Budge (of South West in Bloom) and they want to come and deal with my queries and provide some mentoring," said Mrs Makepeace, who is chairwoman of the Beer Horticultural Society (BHS).

"They seem to think that Beer is close to getting a Gold Certificate, so I would not like to deny Beer that opportunity."

In a long email sent to Mrs Makepeace and the Beer

Parish Council, Mr Budge, who is based in Truro, explored the village to keep open their options for 2014.

"It would be a real shame to see Beer leave the In Bloom competition as next year is the 50th anniversary of the Britain in Bloom competition and I would love to see you still taking part," said Mr Budge.

"My offer is still open to come up to Beer, along with Steve Clampin (a BiB judge), and to discuss your concerns in your email and to give you tips and look at your route to help bring you up to Gold standard."

"As you know, the Gold awards are very difficult to achieve and even more so with the change of RHS criteria over the years. I think it is important to digest the criteria."

Mrs Makepeace said she was happy to meet the judges but only then would she and her team decide whether to submit an entry for 2014.

"Providing I get satisfactory answers to my very specific queries I am prepared to give it another go," added Makepeace.

Cycling event pulled in crowd of 250,000

AN INDEPENDENT report commissioned by The Tour of Britain has revealed that the Devon stage, hosted by Devon County Council (DCC) on September 20th, attracted 250,000 spectators.

The stage started in Sidmouth and followed a route including Sidbury and Honiton as the cyclists made their way towards the finishing line in Haytor on Dartmoor.

The report also says that the 10th anniversary edition of Britain's biggest professional

cycle race generated almost £5.9 million of additional spending in the county as crowds lined the 85 mile (137km) route.

A TV audience of more than 2.8 million people in the UK tuned into the coverage of the Devon Stage on ITV4 and Eurosport – and the race was also broadcast to 166 countries worldwide.

Councillor Stuart Hughes, DCC Cabinet member for Highways, said: "These are hugely impressive figures for Devon

and The Tour of Britain has again shown its worth to our local economy.

"The spending generated by the event demonstrates why we have invested in the tour in recent years, and Devon has again been highlighted to a global TV audience as an important cycling destination.

"We were fortunate with the weather but the crowds, the atmosphere and the route of the stage all added to a special day to mark the 10th anniversary tour.

"Everyone who turned out really enjoyed the occasion and I'm pleased to see so many people have said that watching the tour has inspired them to cycle more regularly."

Councillor Iain Chubb, East Devon District Council's Cabinet member for Environment, added: "The Tour of Britain is the UK's biggest professional cycle race and the country's largest free-to-watch live sporting event.

"Sidmouth enjoyed hosting the start of Stage Six and East

Devon turned out en masse to watch this spectacular stage set off from our magnificent Jurassic Coast.

"We embrace the tour and do hope the organisers will continue to look at East Devon as a venue for one of the stages.

"It is a brilliant sporting event and we welcome the great benefit it brings both to the local economy and to raising the profile of cycling, as well as promoting Sidmouth and East Devon to an international audience."

Parking charges working party

■ A PARKING working party has been formed by The Association of East Devon Chambers of Commerce (AEDCC) and East Devon District Council (EDDC).

The former sees "high car parking charges in East Devon as one of the biggest inhibitors to the survival of the High Street".

EDDC, on the other hand, sympathises with traders but says it operates a system with "reasonable charges for parking".

The two parties met in November and it was agreed that a new working party should be set up.

AEDCC chairman Colin Wright said: "The AEDCC represents 800 plus businesses and sees high car parking charges in East Devon as one of the biggest inhibitors to the survival of the High Street, tourism and inward investment in the area.

"We are delighted that the EDDC are setting up a working party with us to develop parking strategies that take into consideration the needs of our towns.

"This new group will meet for the first time early in the New Year. If there are any businesses that are not already members and would like to join our businesses associations and chambers of commerce, we would welcome your support."

In a recent comment on a parking-related matter EDDC's Cabinet Member for Environment, Iain Chubb, said: "We know that increasingly our local businesses are having to compete with both on-line and out-of-town shopping alternatives – the latter usually offering ample free parking.

"The use of reasonable charges for parking (which also might encourage visitors to use alternative means of transport) is a well-established way of managing this situation."

AXE VALLEY HERITAGE ASSOCIATION INVITATION OPEN DAYS AT THE MUSEUM

FRIDAY 13TH DECEMBER 2013 10.30AM TO 5PM
SATURDAY 14TH DECEMBER 2013 10.30AM TO 1PM

THE Axe Valley Heritage Museum belongs to that group of small museums which can be regarded as a small town phenomenon, the gathering together of the local history of a community in a predominately parochial way.

Museums, and not heritage centres are the

primary vehicles for housing and preserving the nation's heritage.

In the Seaton and Axe Valley museum we have great experience in the art of collecting, conserving and maintaining an inventory displaying and interpreting the vast wealth of local artefacts we have acquired.

In 2014, we intend to hold a most important exhibition in the United Reform Church in Cross Street to connect up to the national commemoration of the 100th anniversary of the 1st world war; this will also allow disabled people who cannot visit the museum to view many of the important archives we hold.

We need your support so do come along to our open day to have a glass of wine or a coffee and a mince pie and have a talk with our experts.

Mole Avon staff raise over £22,000 for Hospiscare

STAFF at Mole Avon Trading Limited are delighted to have raised over £22,000 for local charity Hospiscare. The money raised so far this year was presented to John Arnold, Corporate Fundraiser for Hospiscare, at Mole Avon's dinner and dance at Powderham Castle last month – a special occasion to mark 40 years as Mole Avon Trading Limited.

The total, which took eight months to achieve, is part of Mole Avon's bid to raise £40,000 for the local charity – £1,000 for each year Mole Avon Trading Limited has been in business. This has been achieved through a huge range of events including cake sales and tombolas, bingo and quiz nights, craft fairs, car boot sales and jumble sales, harvest supper, ploughing match and river cruise, a

sky dive and ladies and men's walks.

The company will continue to fundraise for this worthy cause in the coming months – until it reaches its target.

Hospiscare needs to raise more than £4m each year to continue to provide its free of charge, services to people with life-limiting illnesses in Exeter, mid and east Devon.

Hospiscare Corporate Fundraiser John Arnold said: "The support given to Hospiscare this year by Mole Avon is truly amazing. The staff have shown tremendous initiative, organising a huge variety of events, as well as participating in Hospiscare events to raise this fantastic amount."

"On behalf of our patients, their families and Hospiscare staff and volunteers I'd like to thank everyone

at Mole Avon for making a difference."

Mole Avon would like to thank the staff, friends, family and customers who have supported the company throughout the year and helped them raise such a fantastic amount.

"We would not have been able to get this far without the hard work and dedication of staff at all our sites – the three Mole Avon Town & Country Stores, Town & Countrywear, Mole Avon Forecourt and our central administration office," said Richard Billson, Mole Avon chief executive. "We have also had fantastic support from our customers, friends and family and suppliers who have been happy to support such a worthy local charity."

OVER £22,000: John Arnold, Hospiscare corporate fundraiser, is pictured with some of the staff from Mole Avon Town & Country Stores in Station Yard, Axminster and David Smith, Jane Bostock and Liz Purvey from the Hospiscare Axminster Friends support group.

Foodbank will be closed over Christmas period

CANNED Sunshine Foodbank in Axminster has asked potential customers to make sure they make arrangements in time for Christmas and New Year.

The foodbank, which is run by Axminster Health and Wellbeing Centre, will be open up to and including December 20th, but will then shut until it reopens on January 6th.

Centre manager Aynsley Jones said: "If you think you may be in need of a food box around this time, please come and speak to us soon so we can make arrangements. The foodbank offers emergency and referral food boxes to local people in need."

Mr Jones added: "As Christmas approaches and the weather gets colder more people are in need of support, which is why we are releasing this short appeal for donations."

"The collection points are at Axminster Health and Wellbeing Centre and the main Co-op."

"As well as the staples we are asking for Christmas puddings, mince pies, Christmas crackers, small stocking fillers, chocolate money and advent calenders as well as any other festive gifts."

"Two for one offers are a great way to be able to make a donation without blowing your budget, keep one for yourself and donate the other. All donations will be gratefully received."

Museum loses valued stalwart

A VALUED member of Axminster Museum Committee is to move away from the area.

John Dangerfield has assisted visitors and local residents for many years with researching local items and areas of interest.

Fellow committee members have praised his dedication and commitment and wish him the best of luck in future.

French market

A FRENCH Market will setting up stalls in Minster Square this coming Saturday, December 14th.

Genuine French produce will be on offer from about 7.30am into the afternoon.

The company behind the market approached 'Lord of The Manor' Jim Rowe, who holds the market rights. Mr Rowe involved Axminster Chamber of Commerce and, following a meeting with the French company, it was agreed to hold the market on Saturday.

Axminster Chamber of Commerce executive committee member Chris Tipping said the chamber supports the initiative.

He said: "We are behind it. It is a great opportunity to get people into Axminster."

The chamber is keen to increase the number of markets held in the town, and it is believed that Saturday's visit will give a good indication of how well received additional markets would be.

Fuel stolen from tank

APPROXIMATELY £250 worth of fuel was stolen from an outside tank at an address in Kilminster at some point between November 8th and December 1st.

PC Simon Rodgers said: "Can I ask all residents with outside fuel tanks to be extra vigilant and make sure tanks have adequate security."

Anyone with information about the theft is asked to call police on 101, crime reference is KA/13/644.

Students raise over £1,000

THE total sum raised at Axe Vale Community College for Children in Need was £1,122.30.

College spokesperson Liz Slade said: "A fantastic day of fundraising was held. Every year group took part and events through the day ranged from cake sales, talent shows, raffles and a soak the teacher competition that proved extremely popular."

The band played in front of a crowd of more than 200 guests, comprising of celebrities, VIPs and friends of Mr Cribbins.

■ "SHELTERBOX" (international disaster relief charity) has benefited from Wise Intentions, with the brothers selling their debut single "To Help Them" to raise money for the Japanese Earthquake victims. All profits went to ShelterBox and Wise Intentions want to help the Philippines by selling more copies, both available on iTunes and CD.

Craft fair boost for skatepark fund

SOPHIE Wilson of Axminster-based Sophie's Bags and Hearts donated £150 from her craft show to

Axminster Skatepark Fund. The show was held in Church Rooms on Tuesday, November 19th.

The fund was set up in memory of Axminster youngster Tom Chubb, who died in a car accident last year.

The aim is to raise enough money to improve and extend the current skate park at Cloakham Lawn Sports Centre.

Detailed information about the project will be revealed during a public exhibition on February 7th in Axminster Guildhall.

Tom's mum Eve (Pictured right), who is an active member of the fund, praised Sophie and everyone who supported the craft show.

Reindeers go missing

TOWN council staff members are angry that newly-bought Christmas decorations have disappeared.

Axminster Guildhall manager Sarah Farrant and deputy town clerk Paula Hutchings said that four decorative reindeers were placed on radiators in the main hall before a function on Friday, November 29th.

But the purple reindeers disappeared despite being placed at a height of about two metres and an adhesive being used.

Sarah and Paula believe the decorations were stolen, and jointly said: "It is not the money, but the principle. We are both angry."

Lucky dip!

■ A TOTAL of £359 was raised for St Michael's Church funds from their Christmas Coffee morning at the Mariners' Hall on Saturday.

"It wasn't bad at all and we were quite pleased with that," said Pat Edmunds, who is secretary of the Alter Guild and helped organise the event. The next main event at the church will be the Christingle Service on Sunday, December 22nd at 4.30pm.

Pictured is Henry and Norah Jagers in charge of the tombola stall.

Shine a light of remembrance at special service

Hospicare is inviting people to remember their loved ones this Christmas at a remembrance service being held at Seaton Methodist Church, Seaton on December 13th.

Hospicare's uplifting "Services of Light" are taking place across Exeter, mid and east Devon during November and December, giving people the chance to honour those they have lost at what can be a difficult time of year.

The services are open to anyone wishing to remember someone special who has passed away.

Those attending the service, which begins at 7pm, will be given a candle to light in memory of their loved one which will illuminate the altar during prayers, readings and hymns.

Hospicare Chaplain Nigel Mason said: "Hospicare invites us all to remember loved

ones who have died and invites everyone to attend the Service of Light where candles will shine brightly in their memory."

The Services of Light have been a source of comfort to many since they began in 2001 and are often a chance to talk and share thoughts with Hospicare Support groups as well as Hospicare nurses and members of staff who attend the services.

Hospicare Support Group Co-ordinator Barry Carpenter said: "The run up to Christmas can be a difficult time for those who have been bereaved; we are told to have a wonderful and happy Christmas but, for some, it is a time that brings to mind how much loved ones are missed. Our services are there to recognise this and give comfort."

As well as the Service of Light, Hospicare is also inviting people to honour lost friends

and family by recording their name in a Book of Memories and dedicating a light to them on the Tree of Light, which will be lit every evening at Exeter Cathedral Green during December until January 6, 2014.

Woman hurt in scooter crash

AN elderly female was taken to hospital as a precaution after her mobility scooter collided with a car at the junction of Fore Street and Queen Street.

The accident happened at about 10.15am on Saturday November 30th.

A police spokesperson said that it was believed the woman complained of neck pain.

The road was cleared just after 10.52am.

Co-op cash boost for library youth group

MEMBERS of Seaton Library Youth Group are delighted with a £1,000 grant from Co-op Community Fund to help with running costs.

Sophie O'Connell, who works at the Co-op store in Harepath Road and has been a volunteer at the youth group, suggested the group should apply.

Skevoulla Hambi-Hilder has been running the group for several years and said: "We have had lots of members since we began, and some of the original members still come."

The sessions were set up by Devon Youth Services and Devon Libraries, as there was no provision for young people in Seaton.

But funding cuts have seen resources dwindle, so the main funding is a grant from Seaton Town Council.

Seaton Phoenix has also kindly given a generous grant to help with resources and refreshments.

Father and son raise money for cancer

■ HARVEY Gibbons had his head shaved (pictured before, left, and after, right) to raise money for Breast Cancer awareness while his father Robert donated money from car washes at Tower Services, Seaton

A SEATON man and his son have raised more than £2,000 for Breast Cancer awareness after a month of fundraising for the charity.

Robert Gibbons, of Tower Services, and his son Harvey spent November collecting donations towards Breast Cancer Research, after recent experiences with staff at the Rotal Devon and Exeter hospital in Exeter.

Mr Gibbons asked customers to put the cost of their car wash service straight into the collection pot, which brought in around £2,000 to help the cause.

He said: "It went very well and people have been very generous. I just want to thank all the customers

who came in and anyone who contributed over the month.

"We have had such great support from our friends and families, and people in the community. We are especially grateful to Paul and Elaine Faux from Power Cleaning Supplies and Services, who donated car wash supplies for free. A good amount of the money we raised came out of their pockets."

Mr Gibbons was so impressed with the care and support he and his family received at the hospital's Cherrybrook Ward that he was determined to start fundraising straight away.

He added: "You have to be a special kind of person to work there.

When you go down there you feel so humble. They put you at ease and are all so kind – and then you think, this is all run by a charity."

Mr Gibbons' son Harvey, 21, also chipped in with the fundraising effort by having his head shaved. He brought in a further £340 for the cause.

Mr Gibbons said: "It's really nice that Harvey decided to go ahead with it. We were all planning to have our heads shaved at one stage but my wife was not too happy about it."

Tower Services will be continuing its support for the charity with more fundraising events to be announced in January.

Christmas lunch for Beer's over 60s

IT IS said there is no such thing as a free lunch – but Beer's over 60s might just disagree!

There were 112 of them packed into the Mariners' Hall on Thursday for the annual Christmas lunch provided by the Women's Institute.

A sumptuous turkey lunch with all the trimmings – and a complimentary glass of wine – was served up by the Beer Primary School's Parent Teacher and Friends' Association with

help from several school children.

"It is a great idea, is really well organised and helps get the Christmas season off to a flying start," said Ian Rangey, who is the scheme manager at Barnards Farm retirement/sheltered housing complex.

Once again Beer WI financed the lunch this time through the sale of £2,000 worth of tickets to win a magnificent handmade quilt produced by

Jean Bartlett and her team of helpers.

"We have been selling the tickets all year with Ann Robinson and Dee Spence Thomas leading the way," said WI secretary Sue Ball.

"We have raised enough money to pay for this year's lunch and probably next year's as well."

The meal was rounded off with a play performed by children from Beer Primary School.

Cash boost for Cancer Research

OVER £500 was raised for Cancer Research on Saturday morning at the table top sale held in the Mariners' Hall, writes **KEVIN FAHEY**.

There was a constant flow of people heading to the hall over the four hours with a wide variety of stalls backed up by extensive refreshments.

"The whole event was a great success with a really good turn-out," said organiser Annie Boalch.

"We raised a total of £567.62 and I must thank all the volunteers who helped on the day, the people who came along and the many busi-

nesses who donated prizes for the grand draw.

"I think overall everyone enjoyed the morning."

An open letter to the people of Axminster ...

From Axminster Chamber of Commerce & Industry

HAVING spent the last week or so visiting the shops, businesses and community groups in Axminster, we can safely say one thing – **“PEOPLE CARE ABOUT THIS TOWN”**

Let us explain: without exception, everyone we met had an idea or strong opinion on something they would like to see improved in our town. What was really encouraging was the fact that this wasn't just idle criticism, but a genuine passion for the place they live and work in. Everyone had a solution to some of the issues we face, whether economic, political or even just cosmetic.

Those of us from the Chamber who were privileged enough to participate in this venture, came away with a feeling of great hope for the future of our town.

You may have seen our article in last week's *Pulman's View from Axminster*, where we set out what we want to try to achieve. It would be an underestimate to say that the response has been amazing. We have heard from so many people, from caring individuals through to the local Rainbows troupe who just want to be involved.

So what about you? You who are reading this now, and thinking: “Well I wish they would do something about.....”

Come and tell us. If we don't know what you care about, then how can we all do something about it?

Better still, come and pledge your support and join the Chamber of Commerce. We are looking for new businesses to join, but we very much need Community members as well.

Nobody is too old. That's experience in our book, and we would love to hear from you.

Nobody is too young. Why wouldn't you want to play a part in the future of your town?

The more people we have, the stronger our voice becomes, and all of us at the Chamber believe that we have a town worth shouting about.

You only have to look around this town to see what can be achieved when we all work together. The team that help regenerate the Heritage Centre, the big hearted people who pulled together when employees at Axminster Carpets faced disaster, the volunteers at the local job club, the volunteers who create the Axe Vale Festival, and the list goes on. Imagine what we could all do together.

IT COULD BE AMAZING.

Let us re-phrase that.....

IT WILL BE AMAZING.

Working with you, for you

How does the Chamber operate?

TO achieve our mission, we must have a vibrant membership with members contributing to issues/projects that are relevant to them or that they have an interest in, therefore participation is actively encouraged of all members and their staff.

Our projects and goals are divided between six teams each run by a leader with a dedicated team of member volunteers. These teams meet when appropriate and teams work together where there is a shared interest. Members can be on as many teams as they would like.

The Executive Committee oversees and co-ordinates the Team Leaders at monthly Committee meetings. The Team Leaders present reports of their activities for discussion and to ensure each are within budget and meeting their goals. The minutes of these meetings are emailed to the membership. The membership meetings are held quarterly with social/networking time. Members can, and are encouraged to raise issues with the Executive Committee and/or Team Leaders **at any time**.

An Annual General Meeting is held each year in May and all Executive Committee members; Team Leaders and Chamber members are expected to attend. The Chairperson reports on the overall success of the Chamber. The Treasurer will report on the Chamber's budget; Team Leaders report on their annual activities and goals for the coming year. Available Executive Committee positions will be voted in by the membership.

So what's in it for potential members:

◆ **A GOVERNMENT AFFAIRS TEAM** that supports and represents your business interests at town and local council meetings. They plan and review plans to improve the commercial centre and maintain the viability of Axminster as a town for unique, local independent businesses to thrive and serve the needs of the community.

◆ **AN ECONOMIC AND BUSINESS DEVELOPMENT TEAM** who are focussed on maintaining the economic revitalisation of Axminster and its surrounding villages. They also organise or inform you about affordable business development opportunities, support workshops and funding to improve your business.

◆ **A TOURISM TEAM** that works on behalf of all businesses by offering a wide variety of promotional opportunities to encourage visitors to our town and area including regular trade from the vast number of holiday home owners.

Axminster Chamber of Commerce & Industry (Established 1945)

Our mission:

Through the unity and efforts of our membership, to foster and achieve a healthy economic climate for all people of the area.

■ **IN THE CHRISTMAS SPIRIT:** Executive committee members Paul Hayward, Lisa Lyman, Emma Coddington and Chris Tipping enjoying Festive Friday

■ **WORKING FOR AXMINSTER:** Anne Wells, Lisa Lyman and Jane Rockett promoting Small Business Saturday

◆ **AN AXMINSTER INFORMATION CENTRE** that is open year round and solely funded by Chamber of Commerce fundraising events. Residents and visitors use the centre as an important source of information about local attractions, accommodation, history, transport services, ticket sales and coach tours. They also promote local service businesses, retailers and places to eat.

◆ **A MEMBERSHIP TEAM** which is constantly working to bring you more benefits and to encourage all local businesses to join our Chamber. The larger our membership, the stronger our voice is on local issues that affect your business.

◆ **A WAYS AND MEANS TEAM** which helps raise funds for all our activities and which gives you opportunities (large or small) to demonstrate your support of the community that supports your business.

◆ **A TECHNOLOGY TEAM** that works with various local organisations using modern technology and social media to create a professional image and ensure that members and the community are fully aware of the Chamber's projects. They source and forward relevant information to keep you updated with information and workshops to enable you to take full advantage of the latest social media marketing tools.

◆ **ALL THESE TEAMS** aim to ensure that Axminster is a thriving and enjoyable Town for residents, and to attract an increasing number of visitors both from the local area and further afield.

Every business owner has issues that affect their particular business. Instead of being a lone voice, the Chamber offers the opportunity to join with others who share your concerns and offers support and solutions.

◆ **Next Step?** Email us membership@axminsteronline.org or pick up a member form at Apple Tree Galleries or Wells Carpets.

Colyton gets in the Christmas spirit

■ **CHRISTMAS CAROLS:** Crowds join in the carols led by town crier Derek Wenn and the Reverend Hilary Dawson

■ **FURY FRIENDS:** Visitors from Sidmouth Donkey Sanctuary were a hit with the children

THE streets of Colyton were bustling for the town's annual Christmas Fayre.

Organised by Colyton Caterpillars Pre-School and with proceeds going to local causes and charities, the fayre kicked off with the switching-on of the Christmas lights by Colyton Carnival's royal party outside the Town Hall. Carols were then led by the Reverend Hilary Dawson and town crier David Wenn.

The hall was packed inside with stalls run by local craftspeople and charities, as was Colyton Memorial Social Club, The Old Bakehouse, The Kingfisher and The Cobblers.

Entertainment included special visitors from Sidmouth Donkey Sanctuary, a Santa's grotto in Colyton Library, a display by Seaton Majorettes and performance from Ottery Brass Band.

Colyton Butchers and the Caterpillars kept the crowds well-fed with pork rolls, burgers, mince pies and mulled wine, while many shops also offered refreshments.

Colyton Parish History Society opened their new heritage centre in Market Place for the first time, while St Andrew's Church opened their Christmas Tree Festival with entries from many local organisations, club and families.

■ **IN THE GROTTTO:** Children were excited to meet Father Christmas and his elves in Colyton Library

A village celebration of Christmas

St Michael's Church - Axmouth

THERE are pre-Domesday references to a Saxon church at Axmouth. The present church of Norman construction has seen many changes, and has an interesting history. Perhaps no more so than what happened two years ago in the village.

Our church had become somewhat in need of urgent repair, and the congregation was struggling to keep things together, a meeting was called and it was an open house to the Axmouth parishioners within the church. From that meeting a group was formed by the name of 'FRIENDS OF AXMOUTH CHURCH.' This was in 2012.

From that date our church has seen a remarkable transition take place, and in many ways has become once more the focal point of the village, together with the village hall next door.

We have seen shows, musicals, Jubilee celebrations and functions

take place on the church green, and within the church itself. Last year in 2012 we held a 'Christmas Tree Festival' in the church with twenty trees, which was a huge success. All this was done to raise money for our church, which is in need of urgent repairs.

We have continued working and

fund raising for St Michael's, in many ways and have raised thousands for the repairs needed, which will commence in 2014.

This Christmas we are holding our second Christmas Tree Festival which will start on the 14th December, with the Children of Axmouth's theatre 2, performing 'A Christmas Carol.' The festival will go on until the 21st December, with the theme of the twenty seven decorated Christmas Trees, on view, being - 'SO THIS IS CHRISTMAS.' The church is open for viewing from 2pm until 7pm each day from the 15th to the 21st of December. There is plenty of parking available in the village hall car park next door, and also the Axmouth Campsite.

There is no charge for car parking. Or for entry to the Christmas Tree Festival. Please just come along and enjoy the festival, you will be made most welcome.

A hideous cycle which we can break

When the world education league tables were published last week, much fuss was made of the fact the UK has slipped to 26 on the chart. No fuss whatsoever was made of Africa's position; little wonder, as it hovers somewhere around minus infinity.

In Sub-Saharan Africa - which is that area of the continent to the south of the Sahara Desert, i.e. most of it - there are about 80 million children of school age. Of these children, UNESCO estimates that at least 46 million have never stepped inside a classroom.

And of those who are more fortunate to attend school, most of them will be pulled out of it by the time that they are 11 or 12, because of water.

If you live in a country where there is no natural clean water, or if you live in a country where a natural disaster has destroyed the clean water supply, your choice is stark and simple - fetch clean water or don't live at all.

Asha, whose name ironically means "life", is 13 years old and lives in Burkina Faso, near Datra. A keen, naturally-intelligent child, she did well in primary school at rudimentary reading and wanted to become a doctor. But, like four out of every 10 children of the area, mainly the girls, she did not complete primary school because once she was strong enough she was sent to carry clean water.

Like millions of women and children across Africa and Asia, every day Asha walks for three to four hours to fetch clean water in a large plastic petrol container. Sometimes, when the nearest water source dries up, she walks for eight hours to and from the next closest one.

It's hard going; the average temperature of Sub-Saharan Africa is between 20c and 35c, the tracks are dry,

Providing water for life

WATER SURVIVAL BOX

Supported by Pulman's View
View From Newspapers and
The Weekender Series

By Geoff Baker

dusty, peppered with stones, it is easy to slip from exhaustion, graze and cut her knees, and spill her precious load, which means walking all the way back to the safe well again.

The weight of the water she carries in the deep heat for hours every day, day after day, is 20 kilos, which is about the same weight as the average airline permits the likes of us to take as baggage allowance for our holidays.

Imagine carrying your holiday suitcase for four hours in 30c heat. Then imagine having to do it again tomorrow, and the day after that, and every day after that for most of the rest of your life - this is Asha's future.

Asha will never get back to school, she will never learn to read properly, she will never get to become a doctor. Like 90 per cent of the women of Sub-Saharan Africa, she will remain semi-literate or illiterate until the day she dies.

In Africa alone, the total time spent by people walking for clean water each year is 40 billion hours. What level of learning could be achieved each year in 40 bil-

lion hours?

But because they cannot learn, because the need to fetch clean water is greater than the need to read and write, they cannot educate themselves. And because they cannot be educated, they cannot develop agriculture and engineering and all of the rest of the modern means of living without having to walk half a day with the crippling weight of a suitcase on your back.

It is a hideous cycle. But it is a cycle that we can break.

As simply a lack of clean water is a major cause of lack of education and development, we can help in a basic, cheap and ingenious way - with a basic piece of kit called the Water Survival Box.

The Water Survival Box has been developed by the Rotary Club of Chelwood Bridge, Midsomer Norton, to keep alive people who have been left with nothing by natural disasters like hurricanes, earthquakes, floods, typhoons and drought. Through their charity World Water Works (<http://worldwaterworks.org>) this basic little box has helped to keep alive thousands of families in Sri Lanka, Chile, Pakistan, Chad, Mali, Kenya, Haiti, the Philippines and many other places of desperate emergency need.

This plastic box is crammed with all that you need to stay alive after you have lost everything - cooking and eating utensils, basic means of shelter and other essential kit - but most importantly a water-purification pump that will make clean water from dirty water and provide a family of four with clean water every day for a year.

Each box costs £150 to kit out and to send to those in need. Each box contains the magic pump which means for many that there is no need to walk to the well.

Devon, Dorset & Somerset Newspapers Limited, the publishers of this newspaper, have committed to a

two-year charity campaign in association with our friends at the World Water Works campaign because we believe just that - water works. It works by keeping alive the thousands of families left destitute by Typhoon Haiyan, it worked by sustaining the victims of the Haiti earthquake and it will work by providing an alternative for many for walk for water.

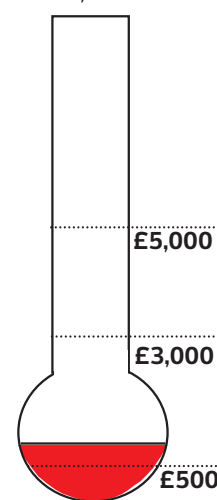

There is much to do, but with your help through fundraising and donations for World Water Works we can do a lot. We can't educate a continent overnight but with a little help for our friends we can make a start to release women and children from water slavery. Please help.

◆ In a bid to raise £10,000 over two years for Water Survival Box, we are encouraging our readers and local organisations in East Devon, South Somerset and West Dorset, where we distribute in excess of 40,000 papers every week, to organise an event for Water Survival Box.

Our staff are also planning a number of fundraising events and so far we have raised £700.

If you would like to organise an event, telephone James Coles on 01297 446155 and we will help promote your event in our columns.

Prison memories at Probus club

THERE are many talks about Dartmoor Prison but few can conjure up the picture evoked by Axminster Probus Club member John Foulkes at their December meeting.

With a great grandfather, grandfather and father all having seen service at the prison, John – who also spent his early years there – was able to bring the subject into a living history.

The passage of time was vividly illustrated with the opening photograph of the prison with the TV aerial prominent behind it mirroring the many changes which have taken place over the years.

The motto above the entry arch – ‘Show mercy to the vanquished’ – was no doubt well intentioned but does not reflect the many prisoners of war who died there.

The Americans tend to make much of the killing of seven inmates following the 1812 conflict but this figure is minute compared to those who died of natural causes. In fact there was more conflict with the French POWs than with the warders!

Great grandfather Charles Trask was an early prison officer and died in 1901. His son joined the Indian Cavalry in 1914 and, following its disbandment, joined the Royal Engineers.

After the war he became Chief Engineering Officer at the prison and was responsible for the bloodhounds which were then used for tracking escapees.

In 1932 a mutiny occurred and the prisoners soon seized control of the prison.

One prisoner scaled the wall but was challenged by John's grandfather.

The prisoner was warned that he could be shot but replied “you wouldn't dare”. That was a bad mistake because grandfather fired and wounded him, though he claimed to have shot over his head!

Times have changed; not long ago a prisoner got on to the roof. The Home Office ruled that no coercion must be used to get him down and a hot meal should be provided when he decided to descend!

John's father joined the Royal Horse Artillery in 1934 and became a warder in 1937 before joining the army in 1939 and returning to the prison in 1945.

He formed a Home Guard Unit and kept all the high explosives in the house. Proud of the group, he refused to disband until persuaded to do so in 1948.

John lived in the shadow of the prison and went to school there before changing schools at the age of 10.

As a result of his family connections he is steeped in the history of that rather grim institution, the Dartmoor Prison.

By coincidence the father of another Probus club member turned out to have been a warder there too so there was common ground.

● The Axminster Probus Club for retired and semi-retired business and professional men meets at the Kilmingston Cafe, Bistro & Motel on the A35 Gammons Hill on the first Tuesday of each month. For further information ring 01460 220528.

Women's Institutes ROUND UP

KILMINGTON

AT THE November meeting of Kilmingston WI, apologies for absence were taken and then the minutes read from which no matters were arising.

A discussion about the availability of speakers followed.

The WI County Quiz will be in February and names were taken of people wishing to enter.

A report of the council meeting in Torquay followed and included Money Matters.

A Street Pastor then told us of the work they do from 10pm until 4am caring for people on the streets.

This was followed by ‘Two Blokes and a Piano’ entertaining us with Flanders and Swan and Richard Stilgoe songs.

The competition was won by Phyllis Bellworthy and the flower competition by Joy Churchill.

Mr John Brown spoke to us about the work of the St John Ambulance Brigade, formed in London in 1877 for training in first aid and care.

It was active in both World Wars man-

ning ambulances and administering first aid.

Afterwards the service was operational at nights and weekends whenever an ambulance was needed, at a doctors request or at an accident scene.

St John's can always be found at local events and Mr Brown used to attend Exeter Speedway where they were much in demand. He was thanked by Joy.

The next meeting on December 12th will have Stuart Dowe from Quicke's telling us about their cheeses. The meeting closed at 9:15pm.

Evening of antiques for Rotarians

AXMINSTER Rotary Club recently met for an evening of ‘Learning about Antiques’ at Lyme Regis Golf Club.

Due to an unfortunate mix up, the antiques expert booked to guide them through the confusing world of old artifacts, failed to attend the dinner.

Being Rotarians and nothing if not resourceful, they set about doing their own ‘show’!

Using items brought by each member, Rotarians explained the history of each item to the group, and invited com-

ments. Items included a Matori coffee cup from Japan, a map case described as an early TomTom sat nav, Chinese ivory elephants, a Georgian sugar shaker, a dressing table set of items, brush, button fixer in ebony a silver candle holder, a miniature painting, ceramic bowl and jug, a gold watch, and a bowl, thought to be a shaving bowl, or for bleeding patients!

A strange piece of cutlery in a leather case was produced, that was nearly 100 years old and had belonged to a Rotar-

ian's Grandfather who was a Royal Engineer with only had one arm, being blown off by a shell in World War I.

He had had a lucky escape when his convoy of ambulances were bombed and his was the only one to get back to the field hospital.

While convalescing back in England an American soldier presented him with this piece of cutlery which, looking like a cheese knife, is a combined knife and fork designed especially for one armed people.

New relaxed planning rules are causing mayhem in East Devon

THE government's relaxed planning rules are causing mayhem in East Devon, with a large number of speculative major planning applications targeted in locations that developers wouldn't have stood a chance of getting consent in previously.

In some places, there huge pressure on services such as schools, roads and doctors surgeries, as a result.

The national planning policy framework (NPPF) also states that highways officers can now only object to planning applications if the impact on traffic is "severe". Around 235 houses proposed at Feniton (growth of the village by 40 per cent) are deemed to be acceptable in traffic terms, thanks to the NPPF.

Many people are worried that EDDC's Local Plan will not be deemed acceptable by the planning inspector in February, leading to even more large scale speculative applications.

On Thursday (December 12th) your Devon county councillors will have the opportunity to vote on a motion (proposed by Lib Dem Councillor Julian Brazil, and seconded by me) to voice their concerns about the NPPF, to the government. Unfortunately, the Conservatives, which have a large majority at DCC, are expected to vote en bloc against this mo-

tion and downplay the major problems we are facing.

If you are worried about the loose planning rules you may like to get in touch with your county councillor and urge them to support the motion.

In East Devon, these are:

Protest on out-of-scale developments

YES, larger protests are needed on East Devon developments, as R. Pres of Wilmington, Honiton, points out (*Pulman's View*, November 26th).

Those who agree might like to join the mass march in a few weeks' time, organised by the recently formed East Devon Alliance (EDA). This non-party-political pressure group unites protesters across the district, whose areas are threatened by out-of-scale de-

velopment. The march will take place at Feniton on January 11th, starting at 11am at Louvigny Close (opposite Feniton School) Bring your own banners and balloons!

Please contact eastdevonalliance@gmail.com for further details.

Chaos caused by school coaches 'not acceptable'

IN my view, the appalling chaos endured by Colyton residents when up to ten coaches of Colyton Grammar School pupils converge in Swan Hill Road is not acceptable.

Coaches park on both sides of the road causing mayhem and residents of The Elms, Dares Orchard and Fairview Lane are also blighted by coaches parking, turning and blocking the roads. Does an accurate health and safety risk assessment exist for this twice daily occurrence?

The combination of considerable traffic on a busy A-road, numerous coaches and scores of pupils (many showing little knowledge of how to cross the road safely) is an accident waiting to happen.

Furthermore, it could be a matter of life and death to someone if an emergency vehicle could not get through.

Introducing 20mph is 'ludicrous' idea

I READ with some interest, but with much incredulity, the letter in last week's *Pulman's View* (November 3rd) – the comments and proposals made by Councillor Corke regarding the speed limit in Honiton.

If vehicles in Honiton are regularly exceeding the 30mph limit, the surely, surely, the answer is for the town's police to enforce the 30mph limit and not take

the ludicrous way out by introducing a 20mph limit.

Imagine, if you will, that such a speed limit of 20mph is introduced, how long will it be before the new limit is being contravened.

Would we then hear calls for a 10mph limit?

Thanks to Axminster Library staff

AT this time of giving thanks, along with other members I should like to say thank you to our library staff for the time and thought they give to us over and beyond what we might expect from a service threatened by cuts in the name of cost cutting.

There's many living alone who know there are peo-

ple ready to give some thought to their particular interests and search for a book not in our library.

Axminster is lucky to have them.

Pulman's View from the churches

With **NIGEL SPELLER**

DARELL Holmes from Kilminster opens for us: Christmas is a rare time when the Christian calendar impacts the whole nation.

Though embellishments and additions of traditions may cloud the perspective, there is still at the heart of the event the celebration of the birth of Jesus.

All churches invite people into services, but also many churches will take the message out.

One such event is 'Community Carols' organised by St Giles, Kilminster and the Kilminster Baptist Church. Anyone can come along to Millers Farm Shop in Kilminster and join in the fun at 3pm on Saturday, December 21st.

As well as shopping for local foodstuffs, families can join in singing familiar carols. There will be free mulled wine, hot chocolate and hot chestnuts as well as edible treats for the children.

With news too good to keep to ourselves, we want to share the message of Christmas with the whole community.

The United Reformed Church in Ottery St Mary holds a traditional Carols and Lessons service with the brass class section of the Ottery St Mary Silver Band on December 15th at 10:30am.

Churches Together in Ottery sing carols at Sainsbury's on December 14th from 10am-12noon. The Ottery Choral Society's Christmas concert is in the parish church on December 14th at 7:30pm. Tickets are available from the TIC.

Elsewhere, on Wednesday, December 11th at 7:30pm, a

strings concert at Colyton church by the Salvation Army will raise funds for their work. Tickets are £3 with students and children free.

Hospicare holds an annual Service of Light at Seaton Methodist Church on Friday, December 13th at 7pm.

Honiton Baptist Church is changing its name to Honiton Family Church and making improvements to the building hopefully complete by Christmas.

Dunkeswell Church has a Christmas Festival from 11am-5pm on Friday, December 13th. Refreshments are available.

At Christmas, the Bible Society has lots of great books for children to enjoy, either in the run up to the big day or as the perfect stocking filler. See the Countdown to Christmas Collection. For the perfect gift for younger children, look no further than My Little Prayer Cards and My Little Memory Game.

Local funeral directors at Axminster and Seaton are opening their funeral homes from 10am-2pm on the Monday to Friday before Christmas. Memory cards will be available for completion and hone calls are acceptable.

A new innovation by the Church of England may cause some surprises for traditionalists. It is the inclusion of orders of service in a mobile phone.

Church folk will be able to follow readings and prayers through mobile phones or tablet computers, like iPads.

Senior clergy are reported as hoping that this will help the church's image and attract new members by displaying the church's digital presence.

CHRIS Way of CRW Accountants in Colyton first studied at Barnstaple Grammar School before completing a Higher National Diploma in business studies at Plymouth University.

He moved around the country quite a lot, including a spell on Lundy, before working in London's Chancery Lane and then returning to Devon in 1977.

He completed a four-year training contract with a firm of chartered accountants before setting up his own practice in Branscombe in 1985, and moving it to its current position in Colyton in 1989.

Chris now lives in Colyton with wife Catherine and their two sons, Theo, aged 7, and five-year-old Monty. He also has two older children who live abroad.

● HOW did you get into accountancy?

To be absolutely candid I "discovered" the satisfaction of professional accountancy only after starting my professional training aged 24. I found the tax side of accountancy particularly engaging and set up on my own firm in 1985 to enjoy the responsibilities and pleasure of giving good beneficial advice.

● WHAT do you enjoy about the job?

The essence of my professional accountancy attitude is based on a desire to exceed the expectations of the clients who entrust their business and financial affairs to my firm, with myself and staff providing a prompt and caring service over time and from that, strong trusting relations are formed and enjoyed.

● WHAT doo you like about the local area?

I count my blessings every day that I am fortunate to work and live in this lovely area of pleasing views, vistas and space, along with my fabulous family.

● WHAT is it missing?

The only thing that is missing and would be an improvement to Colyton is the implementation of a 20mph speed limit on all roads within a three-mile radius of the town.

● YOU have been involved in the formation of a new Colyton Business Group. Tell us about this...

The formation of a Colyton Business Group is a project I have been considering for some months and having recently been joined by two others, Phil Johnson and

60
seconds

Jacqueline McCullough. We have arranged a meeting at the Colcombe Castle on January 9th 2014 at 6pm, all welcome. The aim is to form a cohesive and active organisation to promote businesses in the locality and provide support and encouragement for businesses.

● WHY is it important to support local businesses?

It is beneficial to support local businesses as they can create the dynamic energy and focus which creates liveliness in an area. As an example, the Post Office having previously closed has, due to local pressure, now been set up in Mr & Mrs Patel's Colyton's Premier Stores and this benefits local businesses and other users and it really is a case of use it or lose it.

● WHAT are your personal interests?

My personal interests have previously been local politics (I was a local councillor for four years) and "reincarnation" in Colyton Theatre Group, as it is said by some that I died on stage many times! But in recent years I have allocated all of my spare time to enjoying the fun and pleasure of Theo and Monty's getting up to!

● WHERE is your ideal holiday destination?

My ideal holiday destination is anywhere with Catherine, Theo and Monty.

Dignity at the Heart of Everything We Do

❄️ Coombefield Veterinary Hospital ❄️

The Partners and Staff would like to wish all our Clients a Very Merry Christmas and a Happy New Year

CHOCOLATE poisoning is one of the most common emergency phone calls received by the hospital, particularly at this time of the year. The severity of poisoning depends principally on two things, obviously the amount of chocolate eaten but also the type of chocolate (i.e. milk or dark). The amount of theobromine (the toxic ingredient in chocolate) in milk and dark chocolate differs considerably. For example Dark 70% chocolate can often be lethal. Chocolate is also toxic to other species for example cats, rodents, rabbits etc.

The foremost clinical effects seen in chocolate poisoning are vomiting and diarrhoea, which may often lead to severe dehydration. Theobromine can also cause some animals to become hyperactive.

Muscular rigidity, tremors and convulsions may also be observed in some extreme cases.

If you suspect your pet has eaten a large quantity of chocolate you should contact us as soon as possible on 01297 630500.

❄️ Oscar's Pet Foods ❄️

Oscar for Cats with Oral Care

OSCAR for Cats adult foods now have the benefit of StayClean oral care. StayClean acts like a mouthwash to reduce plaque and tartar formation. It improves gum health and helps prevent gingivitis.

After a 28 day clinical trial cats eating food with StayClean had 27% less plaque and 14% less calculus than those fed a diet without StayClean.

Once your cat is 7 months of age they will have all their adult teeth and this is the ideal time to introduce oral care.

All Oscar cat foods contain prebiotics for a healthy gut and are formulated to help reduce the risk of urinary stones. For senior cats our Adult Care Chicken also has the

added benefit of glucosamine for joint health and cranberry – a natural way to reduce urinary tract infections.

Full details of all our products can be viewed on our website www.oscars.co.uk. Why not check out our new improved dog food range, our fully gluten free venison treats and fish skin treats for dogs.

Oscars provide the complete pet care service - pet food, treats, toys, accessories, wild bird foods all delivered FREE to your door.

If you'd like to find out how we could be of service to you, please give Neil or Lorraine a call on 01404 45437 or send an email to neil.stapleton@oscars.co.uk. We look forward to hearing from you.

Wishing all our customers a very Merry Christmas and a Happy and Healthy New Year — Neil & Lorraine

Keep your pets safe this Christmas

- Lots of 'human' food is bad for pets so never be tempted to share your Christmas dinner with them. Treat your pets by giving them pet specific treats and maybe a new toy.
- Never feed your pets poultry carcasses as the bones may split once swallowed.
- Keep your pets away from things we would consider treats - chocolate and grapes (and also raisins and sultanas) can be poisonous as can onions and garlic. They will be more than happy with their own treats.

❄️ East Devon Cats Protection ❄️

YOUR LOCAL BRANCH OF CATS PROTECTION

Would you like to foster for Cats Protection?

THE East Devon branch of Cats Protection covers a very wide area of Devon, totaling about 400 square miles. We take in and re-home cats and kittens who are strays or are unwanted and/or abandoned.

We have 8 Foster Homes where the cats and kittens are cared for until they are re-homed but we really need more. Fostering cats for Cats Protection is very rewarding and all it costs you is your time. Cats Protection provides the cat pens for your garden, similar to those you see at boarding catteries. You can have as many or as few as you like, depending on the space available. Some of our fosterers have one or two pens; others have a run of three or more. Alternatively you may have a

spare room suitable for a kitten pen. We provide the food and litter and all other expenses such as vet bills, travelling costs etc. are paid by Cats Protection.

Being a fosterer involves taking in cats and kittens that need to be re-homed and getting them vet checked and ready for homing. You receive full support from other members of the branch and there is always someone to turn to for help and advice. And of course you make many new friends, human and feline.

If you would like to find out more about Fostering please call Elaine on 01297 21610, Alyn on 01404 812920 or Jassy on 01884 277929.

❄️ Honiton Cats Protection ❄️

PETS AT CHRISTMAS

HONITON Cats Protection co-ordinator Elizabeth Manley said: "This time of year it's great to look back on what we've achieved, as well as plan for next year, which looks like being really exciting for us. We hope to move to a bigger shop in the new year, which will enable us to help more local cats. Of course, we'll be thinking about extra volunteers to help in the shop, as well as hands on with the cats, so we hope that might be a New Years resolution for some people!"

"Whilst this is a busy time, and not always the best for thinking about rehoming a cat, we have a very deserving couple, Alex & Charlie (pictured) who have been with us for most of this year and would love a Christmas tree of their own to play

with! To make their wish come true, please call the branch on 01404 45241 or visit the website at www.honiton.cats.org.uk."

Honiton Cats Protection would like to wish a very merry Christmas and a happy new year to all our volunteers and supporters, particularly those who have given a new home to a cat or kitten in our care in 2013.

Opera and ballet at The Gateway

Gift vouchers available now as the perfect Christmas gift

THE Gateway in Seaton will screen two fantastic shows this month; The Metropolitan Opera's Falstaff, and the Bolshoi Ballet's Sleeping Beauty.

An undisputed master of *Falstaff*, Music Director James Levine conducts Verdi's opera for the first time at the Met since 2005. Robert Carsen's production – the first new Met *Falstaff* since 1964 – is set in the English countryside in the mid-20th century. Ambrogio Maestri (last season's *Dulcamara* in the Opening Night production of *L'Elisir d'Amore*) sings the title role of the brilliant and blustery Sir John Falstaff, opposite a marvellous ensemble that includes Angela Meade, Stephanie Blythe, Lisette Oropesa and Franco Vasallo. *Falstaff* is a co-production of the Metropolitan Opera; the Royal Opera House, Covent Garden; Teatro alla Scala, Milan; the Canadian Opera Company, Toronto; and De Nederlandse Opera, Amsterdam.

Featuring music by Tchaikovsky, and choreography from Yuri Grigorovich, with Svetlana Zakharova (Princess Aurora), David Hallberg (Prince Desiré), Bolshoi's *Sleeping Beauty* will be another unmissable performance.

Cursed at birth by the evil fairy Carabosse, Princess Aurora descends into a deep slumber on the day of her 16th birthday. Only the kiss of a prince will awaken her. Based on Charles Perrault's classic fairy tale, *Sleeping Beauty* has been hugely successful since its premiere in

1890. Marius Petipa's masterpiece is one of the most popular and accomplished choreographic works in the classical repertoire. The new version by Yuri Grigorovich will captivate fairy-tale lovers and the whole family during the Christmas season.

Falstaff will be screened on Tuesday, December 17th, with doors opening at 6pm for a 7pm start; and *Sleeping Beauty* will screen on Sunday, December 22nd, with doors open 3pm for 4pm start. Tickets for each show cost £15 in advance or £17.50 on the door.

The Gateway are also offering the perfect stocking filler this Christmas, in the form of gift vouchers, available from the box office for £5, £10 and £20.

To book tickets or buy vouchers visit the box office at Seaton Town Hall, call 01297 625699 or visit the website at www.seatongateway.co.uk

Christmas Choral workshop and concert

AXMINSTER Choral Society will host a Christmas choral workshop and concert on Sunday, December 15th at St Mary's Church, Thorncombe.

After their sell-out concert on December 7th in the Minster Church, this is another opportunity to hear them sing excerpts from the Messiah.

Together with carols and poetry readings, this has become a regular feature of the festivities in recent years, when the choir has visited local churches to offer a combined workshop and concert programme.

As usual, the workshop on Sunday afternoon will be under the direction of their

Musical Director, Judy Martin, and choir members and visiting singers will then join in the evening concert at 7pm.

Tickets £10 include mulled wine and mincepies in the interval, and can be obtained from Thorncombe Village Shop (tel 01460 30282) or Archway Books at Axminster.

Proceeds will be shared between the choral society, and Church Housing Trust which provides housing for vulnerable groups and ex-service personnel. Details for singers wanting to attend the workshop can be obtained from Rozanne Bulmer on 01404 881838.

DECK THE HALLS WITH THE SHELDON SINGERS

THE Sheldon Singers bring a programme of Christmas cheer and festive celebration to St Paul's Church, Honiton on Saturday, December 21st at 7.30pm.

In a programme celebrating Christmas songs from around the world, expect a whistle stop tour around Europe and North America taking you as far afield as Mongolia and Australia. The carols and folk songs span centuries as well as cultures, and bring us bang up to date with contemporary compositions by Peter Maxwell Davies and Arvo Part. There will be a chance for the audience to join in some of the more well known carols with the choir providing evocative descants and harmonies. The choir will be joined by organist Ian Boakes, Richard Lucas (piano) and Kathy Banks (marimba).

Julie De'Ath Lancaster, musical director said "It has been a real joy discovering some of these Christmas songs for the first time. The

choir has really got their work cut out with all the different languages they will be singing!"

Sheldon Singers are East Devon's leading chamber choir and are always looking for new members. "We are particularly looking for new altos and male voices", Julie says, "and are a very welcoming group of enthusiastic amateurs. We concentrate on two performances per year, and in the summer we tour to Europe or take up a residency at one of the UK cathedrals. For 2014, we're looking into the possibilities of singing in Salzburg or Bruges and plans will be confirmed early in the New Year."

If you would like to join, please visit the website (www.sheldonsingers.org.uk) for details of how to apply.

Tickets for the concert on December 21st are £12/£10 and available from Wine World Honiton, email Sheldon-tickets@hotmail.com or call 01404 43805

A feast of 'live' music from Budleigh Assorted Tunes!

AFTER a hugely successful run of sell out gigs at the Public Hall, Budleigh Assorted Tunes has just announced an exciting programme of 'live' music for the coming year, with something for every taste.

"Gerry and the Pacemakers on March 1st is now close to capacity", explained Budleigh music promoter Steve Chilcott, "as are the Strawbs with special guests Peter Knight's Gigspanner and Country star Laura Cantrell with the brilliant Flats and Sharps as special guests in February, but I think it will be some of the slightly lesser names we've booked that will come up trumps! I am particularly excited about the May gig with the excellent, rockin' Police Dog Hogan, who nod in the direction of Bluegrass but with a big, beefy bass-and-drums backline. And then there is the amazing Ben Waters Band in June. Ben has just released a CD tribute to the Rolling Stones' keyboard-player Ian Stewart, and Mick, Keef and the boys

are all there playing on it! Jools Holland has called him one of the best 10 piano-players he has ever heard which is high praise indeed! Boogie-woogie rock 'n' roll piano with a fabulous six-piece band behind him! Two very old friends of mine, Fran McGillivray and Mike Burke, whom I first saw play years ago at the Half Moon in Putney, will be doing a support spot, and they are also quite superb!

"In September we have two of the absolute top-of-the-chops Irish bands coming to Budleigh in the shape of the mighty Altan from County Donegal and from just over the border in County Sligo Mike Harding's favourites Cathy Jordan and Dervish. We don't often get the top Irish bands in this neck of the woods so this will be a feast of fun with all the craic and the blarney and I expect we'll have to roll out a barrel of Guinness or two! Then there are gigs with Home

Service, Julia Fordham, Dean Friedman and some old favourites returning such as Kiki Dee and Beverley Craven.

"We are winding up 2013 on December 15th with a real fun Yuletide party featuring Ashley Hutchings and the Albion Christmas Band and Chef Tim Golder is

doing a fantastic Christmas dinner wrapped up in a giant Yorkshire Pud plus Georgie Porgie's scrummy Budleigh-made steamed puds with Brandy Butter and clotted cream! Festive Otter Claus on draught will be served on the bar! Silly party hats recommended!

Then in the New Year we are off again with the fabulous Johnny Copping and Mike Silver on January 26th.

Doors and bar opens at 6.30pm for each performance, with music from 8pm til late.

Full details and ticketing info is published regularly at www.facebook.com/gypsymusicpromotions and on the Budleigh Public Hall website.

IT'S A ROCK 'N' ROLL DANCE PARTY!

DON'T miss A Rock 'N' Roll Dance Party in the company of two consummate entertainers, Earl Jackson with The Stompin' Dave Band on Saturday, December 21st. Dance the night away to the music of Chuck Berry, Little Richard, Jerry Lee Lewis, Elvis Presley, and other classic 1950's rock 'n' roll.

Based in Nottingham, Earl Jackson is a well known figure on the British rock 'n' roll circuit and has been in great demand for many years. He has made appearances on BBC radio and TV including the prestigious Jonathon Ross show, a widely acclaimed success. Earl is currently causing a sensation appearing as Chuck Berry in the popular theatre show Rockin' On Heavens Door, with whom Earl will be touring for two months across Holland in spring 2014. Born of Jamaican parents in Lambeth in 1964, Earl was heavily influenced by Gospel music. Much of his charisma and on-

stage confidence comes from performing before ten thousand people or more at various gospel events. Earl's voice coupled with his outstanding guitar playing bring to life pounding rhythms of rock 'n' roll.

Bridport based Stompin' Dave Allen is now performing regularly with Earl on piano and guitar. Dave has been described as "One of the world's greatest performers" by Maverick Magazine. Since teaming up with Earl the two are proving to be a magic combination and have given barnstorming performances at rock 'n' roll clubs, and festivals across England and on the continent.

Dave's band includes Graham V. Bundy on drums. Graham was a professional drummer in the USA for 20 years. Graham worked regularly with rockabilly luminaries such as Rockabilly Hall Of Fame members Dale Hawkins author of swamp-rock classic Susie Q, and Billy Lee Riley. Graham also performed with Chuck Berry, recorded at the legendary Sun Studios in Memphis and performed at The Grand Ole Opry. Also appearing is Dave Saunders on bass from award winning blues band The Producers.

Bring your dancing shoes, and get your tickets now to avoid disappointment. This is sure to be a popular event the Saturday before Christmas. For advance tickets £10 (on the door £12) please visit www.marinetheatre.com or call Lyme Regis Tourist Information Centre 01297 442138. The doors open at 7.45pm the show starts at 8.30pm.

ON MY
SERVICE****Rachel Rendell
Healer and
Psychic Medium**

I am a psychic medium and run several development and meditation groups. I was attuned to Reiki and qualified as a Crystal healer in 2003. Connect with your loved ones in a private reading. My reading for you will bring precisely what is needed in your life right now. I link with my guides who bring through your friends or relatives in the spirit world. I give a clear reading helping you to become aware of the options and general direction you could take in your life. When healing I work on all levels, physical & emotional alike, clearing blockages and re-aligning the Chakras. I work very much with my intuition as I believe that just like each and every one of us has our own unique energy, so crystals have their own.

Readings, Healing and Workshops are £35.00
One-to-one from £20.00
Group sessions £5.00

With 40 years of experience looking after Jaguars, Derek Lee has brought his skill and passion to Dunkeswell. Derek provides the ultimate care in Jaguar repair and maintenance at a competitive price on a one to one basis.

Derek has been based in London where in 1976 he left his employment with a Jaguar main dealer agent to become one of the founding partners in Leeborn - a family based business, which even then was centred around Jaguars. Having become the business's driving force, and developed it into a highly respected Jaguar and Daimler sales and service centre, the company then moved to new purpose designed, fully equipped premises and renamed the company D.A. Lee. Derek's workshops have been designed to his own specifications and equipped with the very latest in computer diagnostics so that the care and maintenance of Jaguars and Daimlers was simply the best.

Derek Lee is not a man who accepts second best. He honed his winning formula in the competitive world of motorcycle racing. In six years Derek won more races than he can remember and three championships. Derek invested in the right equipment, employed the right people to tune and maintain his race bikes so that they were always in peak condition and absolutely reliable, he then added his own determination and drive. He is using that same formula to provide Jaguar and Daimler owners with the best independent maintenance and repair facility in the Westcountry.

Derek has looked after many customers from all parts of the globe - from all over England, Israel, Italy, Sweden, France and Scotland, some who still have their cars brought down to the brand new premises in Dunkeswell, like a Series II V12 Coupe which Derek has looked after for 37 years. Some of Derek's old London based customers having moved to the West Country, and after learning Derek is based in Dunkeswell, are coming back to re-establish service on their Jaguars.

Derek has the latest and best equipment money can buy in his workshop. From the computerised engine diagnostic and tuning unit to an air-conditioning maintenance machine, which also cares for the environment - no refrigerant is released into the atmosphere.

D.A. Lee is fully equipped to carry out all maintenance and repair work on Jaguar or Daimler cars. D.A. Lee offers the best independent and personal Jaguar service with all work being carried out to Jaguar specifications and schedules, using genuine Jaguar parts and top grade Oils. Regular reports keep you in touch with your car's progress and Derek will also consult you before carrying out any unexpected work. All this comes at a much cheaper price than a main dealer. Whatever your Jaguar needs, D.A. Lee is able to provide a service second to none.

Call Derek Lee now on 01404 891999 "Yaur one to one personal Jaguar emergency service".

CUSTOMER TESTIMONIALS

Hi Derek,

Just to say thank you for the recent work carried out on my Jag. Everything is perfect and as I was so impressed with your service I will, without hesitation, use you again and will also recommend you to others.

R&P.S. Axminster

Thank you for servicing the X type. Moving to another garage is always a risk, but I just wanted to say how impressed I was with the whole experience of moving away from a main dealer to you. From the very first phone call to getting the car back was fantastic, a level of service that one really only dreams of these days, certainly five star plus.

And to top it all, the cost of the service was realistic with no nasty surprises or unexpected expenses attached. It was a true pleasure to deal with a craftsman who knows his trade and is passionate about Jaguars. Thank you.

M.K. Honiton

Dear Derek Lee,

I write formally to put on record the excellent work done for maintenance and overhaul of my S Type Jaguar. The car feels like new again and is a pleasure to drive.

I cannot speak highly enough of the cleanliness and order, both of your workshops, and of my car when returned.

All the work was of a very high standard and was carried out with the manufacturers spare parts and at substantially lower charges than at a main dealer. I would not hesitate to recommend your work to other owners.

T.McC. Wick, Honiton

Dear Derek,

I was delighted with all aspects of the service I received from Derek Lee at West Country Jaguar. Derek's in-depth knowledge of all things Jaguar and his speedy and expert diagnosis of the problem I had with my X-Type left me a very, very satisfied customer indeed. This was in contrast to a number of visits to various Jaguar main dealers which have left me often frustrated and occasionally less than happy with the service I received. On return, my car was valeted to a high standard and has since been running beautifully. What more can you ask! All my own words!

M.M. Wilmington

Derek,

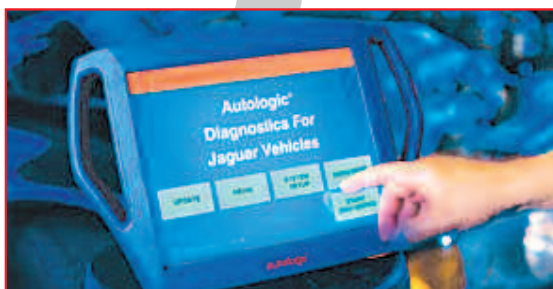

What have you done to my Car? After picking it up from you it's never run and felt so good, in all the time that I have owned it even when I first bought it!

No more noises or bangs that the main agent couldn't find and no more hesitation. I'm so pleased; I am going to keep it a few more years now.

Thanks again mate. Stuart, Chard (S Type Jaguar owned 9yrs)

Honiton Town through to last eight

Late goal blow for Sidmouth Town - Axmouth surge eight clear

South-West Peninsula League (Div One east)

A LAST minute Joe Andrews goal consigned SIDMOUTH Town to a 2-1 defeat at Newton Abbot Spurs on Saturday.

The Vikings will hope for better when they entertain Alphington on Saturday.

Devon & Exeter League Match report

WINKLEIGH 0 AXMOUTH 3

AXMOUTH made the long trip to Winkleigh looking for another valuable three points in their challenge for honours this season.

Despite being bottom of the Division Winkleigh were determined to put up a performance that belied their lowly status and on a soggy, muddy pitch the visitors certainly were not getting an easy ride.

Axmouth created a couple of early half chances before the game became scrappy as both sides found the surface difficult to play on.

Just as the half looked like ending in stalemate Asa Sandman broke down the right and his fierce cross caught the 'keeper by surprise at his near post as he could only palm it into his own net.

After the break Axmouth asserted themselves and the hosts came under increasing pressure their 'keeper was proving to be in inspired form making several fine saves, aided by the woodwork on two occasions.

Finally, Jake Dack saw his 25 yard drive sail over the 'keeper into the top corner to make it 2-0 which soon became 3-0 following a fine move and interchange as Reece Hales fed Man-of-the-Match Christian Burridge to slot home the third.

Ax boss Laurie Forino breathed a sigh of relief he said: "Everyone would have expected us to win today looking at respective positions in the table.

"But the pitch was a great leveller and the Winkleigh lads worked really hard and are certainly better than their league placing suggests.

"We did dominate more in the second-half and their keeper had a fantastic game otherwise it could have been a few more.

"The win is what's important and we have a tough fixture away to Bampton on Saturday followed by what looks like being a real Christmas cracker at home to Exmouth on the 21st, so we will need to be in top form."

ROUND-UP

Premier Cup 3rd Round
BRIGHAM 1 FENITON 0
Scott Dodgson opened Brix-

ham's account with a rasping drive from 20 yards after 40 minutes.

The second-half was similar to the first, with the goalkeepers kept busy.

One important save from Brixham's Dan Gillard prevented the equaliser, the goalkeeper pushing a fierce drive onto the post.

Another superb save at the other end kept out Jay Morgan on a one-on-one and although both teams tried hard to score, Dodgson's strike proved enough.

On a day when most of the top Premier sides were enjoying County cup action, ST MARTINS went on a goal rampage at HEAVITREE UNITED where they won a frantic game 10-0 to update their title chase.

The Heavies who were playing for the first time under former Saints boss Graham Bedford had little answer to the Minster Park team whose Ace High led the way with four goals.

Singles came from Andy Brooks, Nathan Melton, Dax Vincent, Kevin Pike, Richard Pears and John Walkey. HATHERLEIGH TOWN maintained their recent form winning 4-0 at BEER ALBION with Luke Reynolds, Mark Lake, Alex Berry and Robert Cockwill sharing the goals.

THORVERTON came from behind to beat the UNIVERSITY 2-1 with Adam Darcy-Wilson scoring both goals.

SEATON TOWN and CHARD TOWN shared a 1-1 draw.

Firewatch Devon Senior cup winners two seasons ago BOW AAC are through to the quarter finals yet again after despatching PLYMSTOCK 5-1. Four-goal Kieran Stone was the Bow star.

HONITON TOWN booked their place in the last eight by beating HALWILL 4-2. Tim Genders 2, Shaun Cox and Brad Groves scoring, but there was disappointment elsewhere.

SOUTH ZEAL drew 2-2 at ASHWATER but lost their penalty shoot out 7-6. Harley Cann had both normal time goals for Zeal.

EXMOUTH TOWN went down 2-0 at home to PARK UNITED, and PINHOE were beaten 2-1 after extra time at EAST ALLINGTON.

Division One leaders ELMORE beat EXMOUTH AMATEURS 7-1 but the scoreline did little justice to the visitors' gallant efforts. Kieran Rapo and man of the match Kevin Mills both scored twice for the eagles.

SIDBURY won their derby clash at EAST BUDLEIGH 3-0, which keeps them four points ahead of WITHERIDGE who also won 3-0 against TIPTON ST JOHN. Tom Williams netted two Withy goals.

ALPHINGTON won a cracking game against CULLOMPTON RANGERS 6-3 with Ryan

Moody scoring twice. James Parker scored twice for the Rangers.

Dexter Booth netted both HEAVITREE goals in their 2-2 draw at the UNIVERSITY.

DOLPHIN are within three points of top spot in Division Two following their 3-2 win against TOPSHAM TOWN.

Jimmy Lee-Shaw scored twice for Dolphin and Mark Seward had both Topsham goals.

Steve Brown netted two goals for improving CLYST VALLEY in a 3-0 win against COLYTON.

DAWLISH UNITED were two up against WESTEXE ROVERS but had to settle for a 2-2 draw after Lee Woodman and Tez Singleton goals earned Westex a point.

CULM UNITED lost 8-3 to a very good NEWTON ST CYRES team, Carl Todd, Tom Keating and Dave Burt getting the Culm goals.

In Division Three leaders UPOTTERY beat the UNIVERSITY 4-2, but HEMYOCK were held 2-2 at SIDMOUTH TOWN.

CHAGFORD were 3-1 winners against NEWTOWN with Andrew Davis, Paul Penberthy and Tom Stanbury scoring.

LORDS XI surprisingly went down 1-0 at NEWTOWN, and CHERITON FITZPAINE were stunned by a 6-4 defeat at home to THORVERTON.

Phil Greenslade had all three goals for Fifth Division leaders MORCHARD BISHOP as they beat DAWLISH UNITED 3-1, but LAFORD kept the pressure on with a thumping 7-1 win against SEATON TOWN.

In Division SIX STOKES HILL came from two down to beat NEWTON ST CYRES 4-2.

Whilke a Kieran Conway goal earned HONITON TOWN RESERVES a point from their trip to OTTERY ST MARY RESERVES.

In Division Seven Carlos Paiva bagged a hat-trick for KENTISBEARE in their 4-0 win at NEWTOWN, and Shane Mears notched a treble for BICKLEIGH 6-0 winners against BAMPOTON.

In the Devon Intermediate cup HENRY'S CRONIES had their hardest match of the season but are through to the area semi finals after a 2-1 win against BRADINCH. Niall Martin and Ryan Burrows were the Cronies scorers.

OTTERTON won their derby tie at WOODBURY 6-1 with Kevin Pitt scoring a hat-trick.

STARCROSS GENERALS were taken to extra time by UPLOWMAN before getting through 3-2, while LANGDON were 4-1 winners at ST MARTINS to complete the East areas four candidates.

◆ FLUXTON secretary Oliver Paget was not going to let his wedding day get in the way of his other match-making in Division 6 against

AMORY GREEN ROVERS.

Ollly persuaded their obliging Tiverton guests to bring forward kick-off to high noon, and then duly scored a hat-trick as the Rovers were carpeted 10-0.

Ollly then got married at 4pm so altogether it was a pretty special day.

Incidentally the other Fluxton goals came from James Santer 2, Stephen Howe 2, Richard Rapps, Graham Hughes and Matt Sercombe.

ROUND-UP

MILLWEY RISE 4 CREWKERNE 4
BEFORE the game Millwey Rise, with a number of regulars unavailable, would no doubt have been pleased to hold title challengers Crewkerne Town to a draw.

But having led 4-1 at half-time it could have been all three for the Devonians.

Rise struck early on only for Brad Miles to level for the visitors.

Two-goal Turner gives a lesson

AXMINSTER Town's improved form of late was finally realised on Saturday as a strikes from Ben Turner (2) and Ben Vine earned the Tigers a fine 3-1 win over Exeter University at Colyton Grammer School.

Ben Turner gave Gary Mcauley's side a 20th minute lead before Dan Beer was red-carded for an off the ball incident.

The students took advantage of the numerical advantage to level before the interval.

Undeterred, the 10-men regained the lead in the 70th minute when Turner headed home his second. The win was clinched five minutes from time when Ben Vine rounded the 'keeper and rolled in the third.

An impressed Mcauley told *View Sport*: "It was a superb all-round team performance. The win has been coming for a while now. We've played well in recent games without getting the results our performances warranted. Hopefully we've turned the corner now and can kick-on."

Next up for Ax is Saturday's trip to face seventh placed Totnes & Dartington.

their last four matches at their Colyford Road HQ.

A goal from striker Seth Wakeley, up from the Reserves, gave Seaton the lead against Chard Town Reserves. They thought they'd doubled the lead only from Alex Wheatley to have his 'goal' ruled out for offside - a decision that disappointed manager Keith Somers.

Gary Warren netted a late equaliser for Chard.

The Greens are now unbeaten in six ahead of Saturday's trip to Winslade Park Avenue where relegation candidates Clyst Valley lay in wait.

Meanwhile BEER ALBION's winless run at their Furzebrake home was extended to eight matches as they went down 4-0 against Hatherleigh Town.

The Fishermen have an excellent chance to end their miserable home run when struggling Heavitree United visit on Saturday.

Goals from Asa Sandman, Jake Dack and Christian Burridge helped AXMOUTH

UNITED open up an eight point gap at the top of Division Four.

Laurie Forino's side head off to Bampton on Saturday.

AXMINSTER RESERVES had a good day ending their 11-game winless run with Darran Whitehouse (3) and Tom Perryman on target in a 4-0 win at fellow strugglers Exmouth Amateurs

Over in the Perry Street League Premier Division a depleted MILLWEY RISE line-up held title-chasing Crewkerne Town to a 4-4 draw at Harry's Field.

Levi Hoole scored twice to move up to 16 for the season as the Rise led 4-1 at half-time. But the Tigers responded with three goals in the last 14 minutes.

Millwey switch their attention to the Challenge cup and a home first round tie against neighbours Perry Street on Saturday.

Up at Shelway Lane a Glenn Harding goal saw HAWKCHURCH UNITED lead Barington Reserves 1-0 after an hour. But the hosts battled back to win 2-1.

The Hawks have a local-derby against visiting MILLWEY RISE RESERVES at the weekend.

'Exciting year for our new brand: Axminster Tools & Machinery'

Statement from Ian Styles, Managing Director, Axminster Tools & Machinery

THE Company continues to grow and expand into different markets. Since September 2013 there has been a significant upturn in business; sales have increased, the warehouse is full of stock and every single member of the team is working hard.

Our manufacturing division is producing more than ever before thanks to a substantial investment in both high end production machinery and in additional manpower.

The products bearing the

'Made in Axminster' logo are highly innovative and unique and it is particularly pleasing to see the increase in overseas sales as a result of the high levels of accuracy and quality control we are able to achieve in house.

Over the past couple of months the Company has had a bit of a makeover with a new logo which really says who we are, Axminster Tools & Machinery – it's not just about 'power tools', our local name! We have opened our sixth store in Basingstoke, situated on a busy retail park.

This is the first of our shops to open seven days per week all year round which has created a need for improved logistics and IT support which have all been fully implemented. Most importantly, we launched our brand new website at the end of November. Developed fully in house by a small bespoke team, this is the future for Axminster Tools & Machinery enabling us to react promptly to market conditions and to be masters of our own destiny in the digital arena.

We have spent the past year enhancing and improving our own brand wood and metalworking machinery

● THE ASPIRE Team at Head Office in Axminster.

with our partners in the Far East. Now categorised into three types – Trade, Hobby and Industrial – so confident are we that we have got it right that we offer a free three year guarantee on all these machines.

Market leaders

We are market leaders in this and along with our promises of unbeatable quality, performance and service we are well placed for the future.

On the employment front, we are really proud of our working conditions and our benefit packages, the result of a desire by the Directors to fully engage each and every member of staff and to reward them for their commitment and loyalty.

We are a growing company and employment opportunities together with training and development programmes are key to our success. We welcome CVs and application forms from any-

one interested in joining us, and if we don't have any suitable vacancies at the time of applying we will always acknowledge every application and place the details on file should we have something in the future.

It has been an exciting year for ourselves, and with everything in place and with the proposed development of the various sites on the Millwey estate now underway, we are looking forward to 2014 with much anticipation.

Bright new chapter in our business development

CLIPPER Contracting Group Ltd started from small beginnings in 2009, pay rolling short term contract staff mostly within the construction and facilities industries. Starting with offices in Charmouth and London, our 3-4 staff have now grown to 26 plus in 2013.

The Charmouth Head Office, currently based at The Court, has a

core of local staff plus those from Beaminster, Bridport, as well as Axminster, Beer and Honiton.

Our future expansion plans will allow us to double our turnover again in the next three years, (currently in the region of £66 million) and means that our move to Weycroft Avenue is both well timed and necessary for additional staff, space and parking.

We anticipate that we can support up to 50 staff in due course, allowing Clipper to expand the Customer Service, Payroll and Accounts departments as well as Professional Services Ltd which deals with Limited Companies and Tax Returns.

Much of our recruitment is now focused on the Axminster area to tie in with our proposed move in

May-June of 2014 for which there is huge anticipation and excitement both for the new building and offices and coming to work in Devon.

We really hope that our forthcoming arrival in Axminster will give us the opportunity to contribute to the local community and be a bright new chapter in our business development.

Respected pump firm will double capacity

MOVING into the new factory in Weycroft Avenue next summer will enable ITT Goulds Pumps to more than double their capacity.

ITT Goulds Pumps is among the most widely recognised and respected brands in the global pump industry, serving customers in the oil and gas, mining, power generation, chemical, pump and paper, and gen-

eral industrial markets. As the only manufacturer to make digital monitoring standard on every pump process, ITT Goulds Pumps continues to lead the industry in both mechanical pump design and the adoption of smart technologies.

And, as operations manager Simon Spiller explains, the move into the new AT&M development will see them increase their facilities from

their present shared building which is only 10,000 square feet to 21,500.

"Whilst we will be renting the premises from AT&M, the factory is being customised to our needs such as large custom testing facilities for Hydraulic Pump performance, bigger and better equipped training rooms from customer training days and more office and production space to match our growth forecasts" said Mr Spiller.

ITT Goulds Pumps have been operating from Axminster for more than 20 years. Currently they employ around 35 people but they plan to double sales over the next two to three years which will lead to more jobs being created and more work for local supporting suppliers.

'Fantastic' that Axminster can boast such good news

DEVON Contractors was founded in 1946 and has grown to become a respected, reliable and fair Building Contractor.

Covering the whole of Devon and beyond into Somerset, Dorset, Cornwall and South Gloucestershire, we draw on a wealth of local experience across a wide range of construction sectors.

Commercial Projects are our forte, but we are also most adept at schools, colleges and community projects which we have completed for both public and private sector clients.

Our project sizes range from a few hundred thousand pounds to many millions, although every building is equally important to us and our goal is to achieve a positive working relationship with each client.

We believe best value is achieved through good quality, workmanship

and keeping to our deadline. We have a reputation as a fair, commercial and practical builder that can be trusted to meet our clients' high expectations of us.

Devon Contractors is most fortunate to consider the Board of Directors of Axminster Tools & Machinery as one of its best clients. Over the years, we have formed an excellent working relationship with Ian Styles and his team, together with the local suppliers and subcontractors in the Axminster area.

We were very excited to have been invited to get involved at the very early stages of these projects at Weycroft Avenue, and have given our full support to each venture. We can all see how the local area will benefit, and it is fantastic that Axminster can boast of such good news.

Dental practice triples number of patients in new AT&M premises

AFTER operating from Victoria Place in Axminster for a number of years, Axminster Dental Practice moved to purpose built premises developed by Axminster Machinery and Tools.

With some of the most advanced dental facilities in the South West, the move enabled them to increase their dental chairs from three to five and they now have between 8,000 and 9,000 National Health and private patients.

Justin Nuttall started the practice in Axminster around 14 years ago and after Timothy Hodges joined him as a partner they moved into the new premises on the corner of Chard Road and Weycroft Avenue in January 2011.

The practice employs three other dentists - Stevie Potter, Hannah Sumby and Amy McCann - a hygienist Katie Goodall and 12 nurses and receptionists.

The practice offers the full range of general dentistry plus implant restoration and cosmetic procedures. They are soon to start performing non-surgical facial treatments (using Botulinum toxin and dermal fillers).

'Remarkable vote of confidence' in future of Axminster

OVER forty years ago, I was running my family business in the town, when Axminster Power Tools emerged from a small shop in Chard Street. Since then, following a number of transitional changes, the company has developed into the global organisation that we now know.

However, although the company now has a number of outlets throughout the UK, the enterprise still retains its "family feel" and its roots in Axminster.

This is no better evidenced than in recent years, when the Styles family has embarked on a programme of development, focussed on the Millway Industrial Estate where the firm's headquarters is based.

Having assisted the development of the new Dental Practice on Weycroft Avenue, Axminster Tools is about to construct a new factory for ITT and has plans for further development on the Millway Industrial Estate.

This is a remarkable vote of confidence in the economic future of Axminster and in welcoming this new project, I congratulate Ian Styles on the investment his company continues to demonstrate in our town.

Creative Solutions - on the move

LYME Regis based signage and large format print specialists, Creative Solutions, are excited to announce that they will be moving to new premises on the Millway Trading Estate in Axminster, Devon, at the start of the New Year.

Since the company started over 10 years ago in Lyme Regis, Creative Solutions has become one of the leading print and display specialists in the UK, recognised for providing commercial, corporate and industrial businesses, large and small, with a complete signage service from design and planning through to installation and maintenance. Solutions offered include external and internal signage, vehicle livery, pavement furniture, exhibition stands, large format posters and banners, custom printed whiteboards and many stationery items.

As well as working with many well known brands and organisations across the country, for example Red Bull and the NHS, the company

has a solid local customer base which it is keen to grow. The four partners who run the company - Ben Whittington, Jedd Whittington, Chris Lenton and Matt Coalter - all live locally and get a real kick out of working and helping local businesses promote their brand through all types of signage and print. The team has over 50 years of experience between them in the industry and all strongly believe in providing the best quality products as timely

and efficiently as possible, and unlike similar suppliers, they offer a bespoke installation service alongside too.

Creative Solutions are very proud of their ongoing working relationship with Axminster Tools providing them with a full range of their services including all types of external and internal signage, vehicle livery, posters, bespoke vinyl decors, backlit illuminated signs and more

Step forward

Over the last year they have worked closely with the team at Axminster Tools as they rebrand and open new stores across the country. Most recently this has taken the Creative Solutions team to Basingstoke where they have printed, supplied and installed all the external and internal signage. Part of this latest project has been to work together to improve the clarity and visual communication of tool and machinery information to the customer.

"We are delighted to be associated with such a successful local company and to be given this opportunity by them to move our business to a larger, purpose built site in Axminster" said Ben Whittington.

"Our move to Axminster is a step forward for our company. Thanks to our continued success and loyal customer base we have outgrown our current location. Being able to create a professional environment that is designed to meet our needs, now and in the future, will enable us to provide a more efficient service to our existing and new customers.

"All our local customers can rest assured that we will continue to offer them a great service, excellent products and the usual friendly welcome. We now look forward to also extending our reach to businesses in East Devon and the surrounding area and aim to be the region's favourite sign and print company."
